

Executive Director

The Teton Valley Education Foundation (TVEF), a nonprofit organization serving the public schools of Teton Valley, Idaho, is seeking a dynamic, vibrant individual with a passion for public education to further the mission of the organization. This individual must possess strong verbal and written communication skills, be able to demonstrate experience in fund raising and fund management, and foster collaborative relationships among key stakeholders in our community.

Applicants must have experience in leadership, with a background and/or experience in public education preferred. Knowledge of the local community and residency in Teton Valley preferred.

This position is part-time, 20 hours per week, with potential for growth as the organization expands. Flexible schedule with benefits.

Interested applicants must provide a letter of application, current resume, and a written statement not to exceed 1000 words addressing the role of nonprofit organizations in public education. Job description available upon request.

Only complete applications should be submitted to: info@tetoneducation.com

Applications accepted through 4 pm, Friday, June 24, 2011.
